RAPP'S RUN

On Wednesday, September 18th, Sonora Elementary hosted our annual Rapp's Run, a Cross Country running

event to honor the memory of Army Sergeant Robert "Bobby" Rapp, a former Sonora Elementary student, athlete, Cross Country runner, and an American hero who made the ultimate sacrifice to our Country, fighting in Afghanistan. This year was a huge success, with 202 athletes competing, representing 17 schools.

AFTER SCHOOL CLASSES

Our first session of after school classes are kicking off this week (9/23 - 11/21). We are offering many fun classes, with sewing, guitar, gardening, LEGOS, art, dance, science, holiday crafting, academic supports and more. Thank you to our Associate Principal, Mrs. Quinn, for putting in the hours of work to organize this program and to the staff that signed on to provide these wonderful experiences. We look forward to a lot of enriching times ahead with our after school program.

SSS EVENTS

Through the years, a staple of the Sonora Elementary experience has been frequent SSS events that bring together

SES students, parents and staff. Friday, September 13th, was no different, as SSS hosted Family Bingo Night. It was a fun evening, with lots of calls out for bingo and prizes. Don't miss out on the **next event**, October 4th (10-4, good buddy), the Son Plus One Mini-Golf, 5:30 - 7:30, with a 'trucker' theme. The event will be held at Twain Harte Mini-Golf.
